Why Rubber Matting?

- Soft, comfortable, warm and insulating
- Reduces risks of slipping and sores
- Excellent joint protection
- Less hock and teat damage, and fewer solar ulcers
- Dust free – helps combat respiratory disorders
- Better hygiene and easier cleaning
- Up to a 5 year factory guarantee
- Reduces labour & bedding cost up to 80%
- Reduces storage and muck heap

Cubicle Matting

Ideal comfort matting for cubicles, lie-back areas, walkways and any surfaces that will be in contact with livestock. The matting is reversible, providing a choice of dimpled or grooved surfaces. Available in 12mm or 18mm thicknesses. 18mm is recommended for cubicle applications.

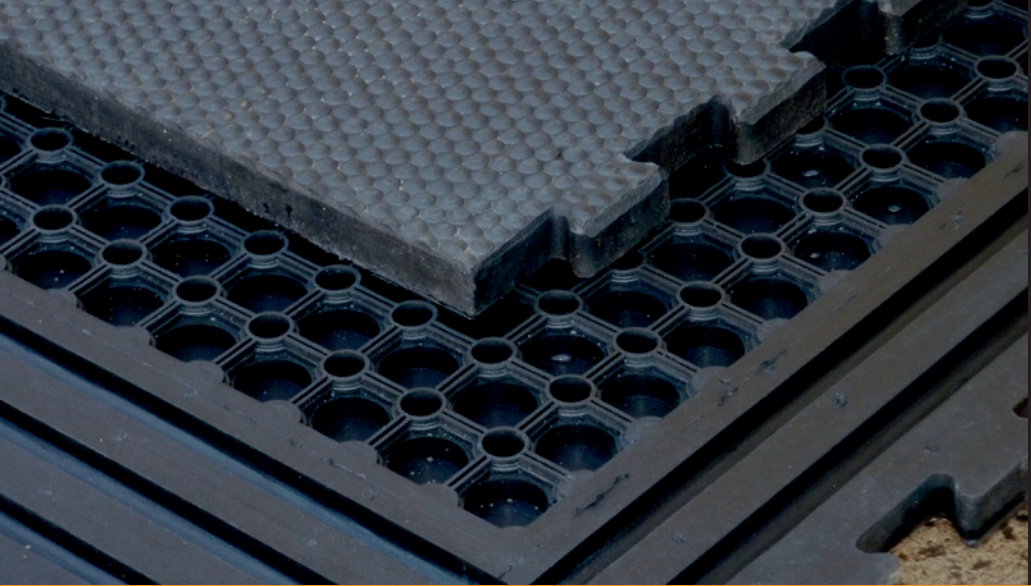

- Will not expand, tear or curl
- Simple squeegee/brush cleaning when installed with groove side up
- Easy to install, cut and fit around cubicle bars
- Excellent joint protection with less hock and teat damage
- MF006-001-00 fixing recommended to avoid mat movement
- 12mm is 34kg and 18mm is 45 kg weight

Did you know?

In the act of lying down, a cow 'free-falls' about 15 inches.

Stock Ref	Matting Description	Mat Size	Mat Area	Price each (excl. Vat)
RMO12-064-00	12mm Reversible dimple/groove	1850mm x 1220mm (6' x 4')	2.23m ² (24ft ²)	
RMO18-064-00 (Recommended)	18mm Reversible dimple/groove Cubicle Mat	1850mm x 1220mm (6' x 4')	2.23m ² (24ft ²)	

Deluxe Cow Matting

The Deluxe mats are designed for cow cubicles and have proved successful over many years in the dairy and beef industry. They provide a restful, stress-free, comfortable environment to ensure optimum productivity. The smoother but anti-slip surface is easy to clean and allows urine to drain effectively.

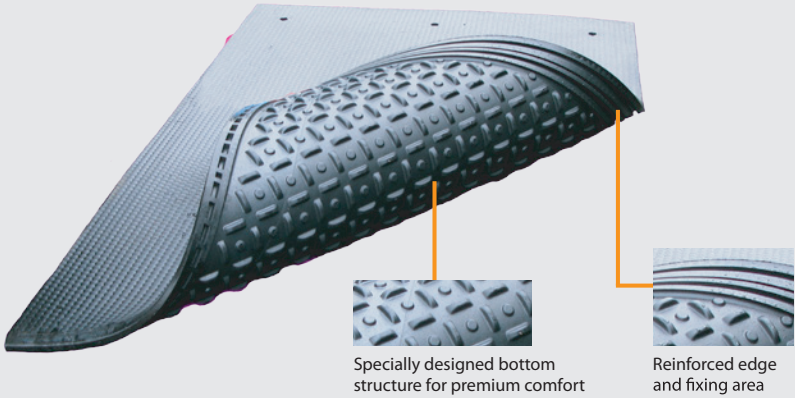

- Made from 100% virgin natural rubber
- Non-porous so will not hold moisture or bacteria
- Puzzle fit edges to ensure continuous matting run.
- Simple and quick to fit, using the recommended MF010-001-00 stainless steel fixing which doesn't corrode.
- 45kg weight

Did you know?

When a cow lies down, she supports 80% of her weight on a tripod formed by two knees and a hock.

Stock Ref	Matting Description	Mat Size	Mat Area	Price each (excl. Vat)
RMO25-064-PE	25mm Deluxe Cow Mat with puzzle-fit edge	1850mm x 1145mm (6' x 3'9")	2.12m ² (24ft ²)	
RMO20-15-00	20mm Cubicle Roll	1800mm x 15m roll	27m ² (88.56ft ²)	

Pro Cubicle Cow Matting

The ADDMat Ultimate mats are proven in the toughest cubicle and stall environments, where cows are kept in cubicles 365 days of the year. With four German DLG certification standards these heavy duty mats are supplied with a 10 year factory warranty.

- Supreme natural rubber quality prevents curling of mat
- Unique sloped edge for more hygienic cubicles
- Made in EU by one of Europe's top rubber manufacturers

Stock Ref	Matting Description	Mat Size	Mat Area	Price Each (excl. VAT)
RM025-064-PRO	30mm Pro Cubicle Cow Mat	1830mm x 1220mm (6' x 4')	2.23m ² (24ft ²)	

Did you know?

Discomfort on concrete induces stress and limits lying time.

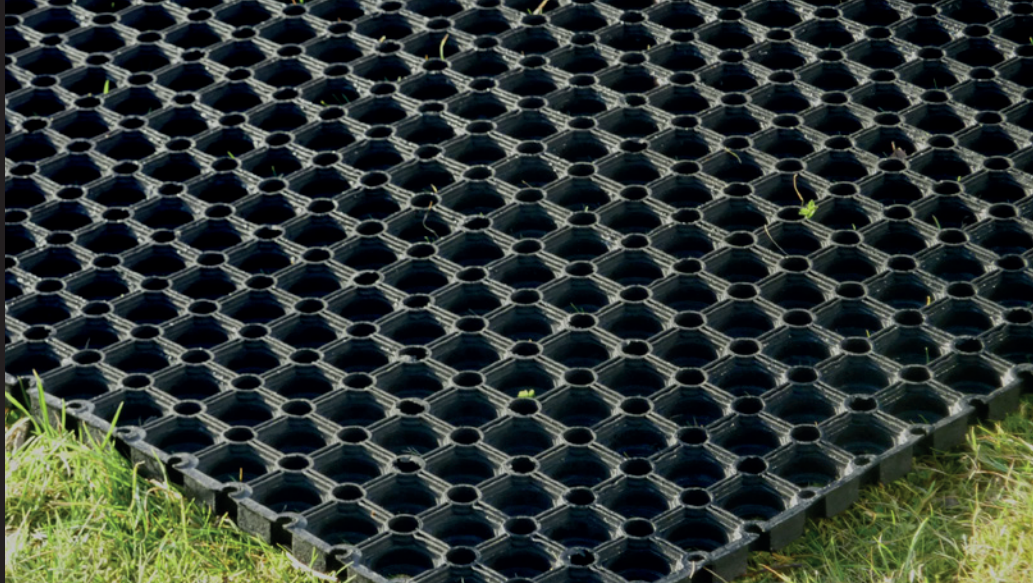

Parlour Puzzle Matting

Heavy duty puzzle-piece reversible matting supplied in 1m x 1m squares which makes installation extremely simple. Ideal for wet and dry areas where continuous wash-downs are required. In areas where long periods of time are spent on foot, these mats provide a comfortable non-slip surface which is essential for safe practice at work.

- Simple and fast to install
- Non-slip dimpled surface provides a safer working environment.
- Quality 16mm thick vulcanized rubber ensures the matting is down for a lifetime.

Stock Ref	Matting Description	Mat Size	Mat Area	Price each (excl. Vat)
RM016-011-00	16mm Dimple Surface puzzle-piece Mat	1000mm x 1000mm (3'3" x 3'3")	1m ² (10.9ft ²)	
RM020-011-BL	Pitzone Parlour Mat (choice of colours)	1000mm x 1000mm (3'3" x 3'3")	1m ² (10.9ft ²)	

General Purpose Hollow Matting

Quality soft impact ring matting for many uses such as barn, field, yard, wash-down areas and even workshop applications. 23mm thick with 30mm diameter holes to provide continuous drainage and maximum flexibility.

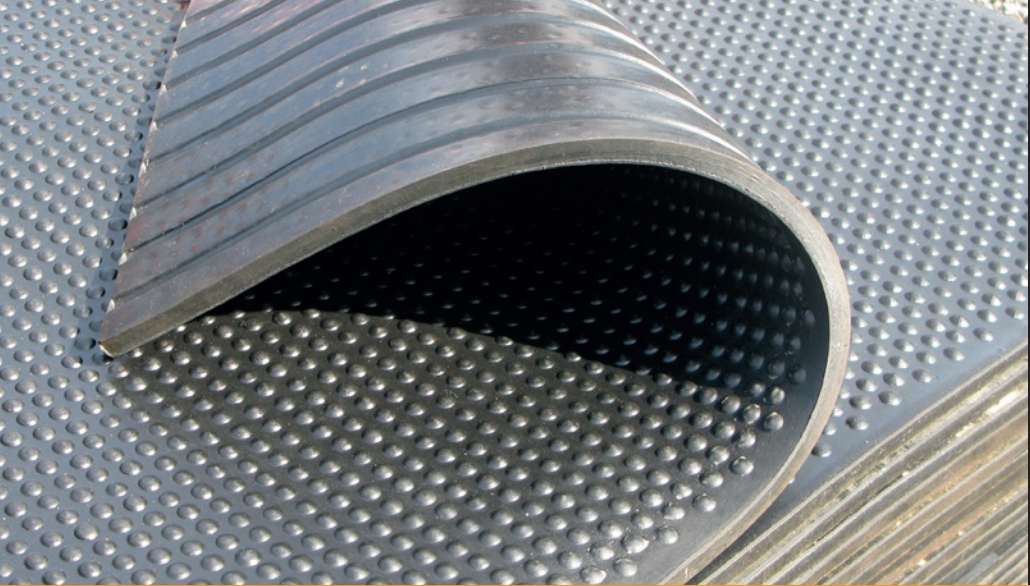

- Lightweight and easy to handle
- Ideal solution for muddy gateways
- Free draining to reduce poaching and create a safe walking surface
- Can be used singly or fixed/pegged down

Stock Ref	Matting Description	Mat Size	Mat Area	Price each (excl. Vat)
RM023-151-00	23mm Hollow Mat - 30mm diameter holes	1500mm x 1000mm (5' x 3'3")	1.50m ² (16.5ft ²)	

Did you know?

The pressure caused by the hardness of a concrete bed restricts circulation, causing swollen knees, hock lesions and consequent lameness.

Stable Matting

The ideal comfort matting for floors - can reduce your labour and bedding costs by 80%. The matting is reversible, providing a choice of dimpled or grooved surfaces. Available in 12 and 18mm thicknesses, with 18mm being recommended for stable applications.

- Will not expand, tear or curl
- Simple squeegee/brush cleaning when installed with groove side up
- Easy to install and cut with a good quality knife
- Excellent joint protection

Stock Ref	Matting Description	Mat Size	Mat Area	Price each (excl. Vat)
RMO12-064-00	12mm Reversible dimple/groove Stable Mat	1850mm x 1220mm (6' x 4')	2.23m ² (24ft ²)	
RMO18-064-00 (Recommended)	18mm Reversible dimple/groove Stable Mat	1850mm x 1220mm (6' x 4')	2.23m ² (24ft ²)	

Livestock Vehicle Matting

Stock Ref	Livestock Vehicle Matting Description	Price each (excl. Vat)
